Here are some ideas for you to help your child at home:

- Practice using scissors to cut coupons, pictures from magazine, or lines on paper.
- Make designs on paper going from the left of the page all the way over to the right.
- Practice putting on mittens and gloves.
- Read, read, read!

Please remember to send in hats and mittens or gloves. We do go outside in cold weather. Also, please make sure your child's name is on their coat. Thank you for all of your help. Have a wonderful and safe holiday season. School will resume on January 4, 2010! Gail and Pam
